---
1. LOGIN CREDENTIALS

1.1 Enter login credentials

a. Make sure mobile data is on
b. Enter your user id against (This is created in website at the time of registration).
c. Enter the password against. The entered password will not be displayed.

d. To display the entered password, click on 

e. Check the Remember Me check box, to automatically display the password the next time you login.
f. Click on Login button to login into the ELD app.

g. If the ELD app does not connect automatically, check if the mobile data is enabled.
h. Once you have successfully logged in, the VIN number and ELD device name is displayed in green color text.

703-349-0905   support@simpleelog.com   www.simpleelog.com
1.2 Forgot password

a. Click on **Forgot Password?** link to generate a new password
b. Password reset can be done by giving **driver id, license no and license expiration date.**
c. Set new password alert is seen.
d. Once you have reset; login to your account.
e. Password successful pop-up is displayed.
2. Home Page

2.1 App’s Dashboard

- On the left-hand side driver’s name, business name, trip no and start location (origin displayed).
- On the right-hand side VIN no, date and ELD no is displayed in green
- Daily mile driven count displayed on the left and week’s count on the right respectively.
2.1.1 VIN Selection

In some cases, trucks may not stream the VIN. In order to resolve this issue:

a. Login into WWW.simpletruckeld.com
b. In the dashboard from the left menu click "My fleet".
c. Click "Add Fleet" to open the pop-up screen.
d. Please fill in the VIN, Plate number, and Truck number and click "Save".
e. Continue steps 1-4 if you have more than one truck.
f. Now when you login from the APP, when the VIN is not streamed, you will get a pop-up, listing the truck numbers (the information we have added in "My fleet").
g. Select the truck number.
h. Now the app will bind the VIN to the SSID, so that VIN will be part of the data stream from the Truck. This information will be stored in the ELD device till such time it is removed from that.
2.1.2 Mode of driving

i. In the ELD Dashboard screen, click on to select the Driver mode.

j. In the Driving Mode dialog box, select Default for On Duty Driving.

k. Once the Driving Mode has been selected, the Comments dialog box appears.

l. Enter your comments below Enter your comments and click on Submit button to record your comments.

m. If you do not want to record your comments, click on Cancel button.

n. The selected Driver mode is displayed on the ELD Dashboard.

o. You can select same as to change Driving mode to PERSONAL USE and YARD MOVES.

2.1.3 How to select Duty of Status

The following categories are available:

- Default – Select for on duty driving
- Personal Use – Select for personal use
- Yard Moves – Select for yard shuttle service

If you select Default, the Duty of Status dialog box is enabled. You can choose an appropriate option based on the driving situation.
a. If the Driving Mode is Default, the Duty of Status dialog box appears.
b. Click on the appropriate Duty of Status.
c. The selected Duty of Status is displayed on the ELD Dashboard.

2.1.4 Vehicle status

It records the movement of a vehicle. Speed status will change every 5 minutes automatically or you can change manually also if the vehicle is not in motion.

For example, if your duty status is in driving, but the vehicle is idle more than 5 minutes, vehicle status pops and displays a message to change your driving status.

For example, if your duty status is in the On Duty Not Driving, but the vehicle is in motion more than 5 minutes, vehicle status pops and displays a message to change your driving status.
Menu page contains all the app features like Home, Self-Inspect, Certify, Reports, Trip Sheets and DVIR.

For example, if you are entering Trip sheet details and if you want to move to DVIR, you can select Menu icon on the top left and you can easily navigate to different features in the App.

Once you are done with your driving service you can sign out of the app by clicking the Sign out from the top left menu icon.
