

Thank you for your interest in **Simple ELog**, a simple solution to manage the Hours of Service for drivers. Our solution is fully compliant as per FMCSA ELD mandate.

Simple ELog solution comprises of 3 components:

- a) The ELD device (Black box), which will be plugged on to the ECM Port of the truck.
- b) The Mobile APP (**Android & iOS**) which can run on the drivers own mobile, or a dedicated tablet can be used.
- c) The Web application for administering & monitoring.

ELD FLOW DIAGRAM
